**Marcellino van den Bergh**

*Works manager at Van Oord Offshore, Gorinchem the Netherlands, managed Gerrit at Van Oord.*

*"Gerrit is an experienced marine manager who is capable to lead any maritime project. His extensive maritime experience and strong personality gives him the power to get his team going in the same direction to make the job to a success. In contact with his superiors he is open en honestly. Towards client representatives and authorities his years of experience at sea is a plus."*

*October 31, 2009*

**Hans Meijers**

*Sr Jacking Engineer , Jack-up Barge.*

*"working with Gerrit he proved to be a skilled,down to earth, honoust, straight forward bargemaster. what you see is what you get without unwanted surprises. I would work with him again!"*

*August 18, 2010*

**Marcus Beerens**

*Technical manager, Noordhoek International BV.*

*"Gerrit is a seaman pur sang. He can handle a vessel with great seamanskills. His manager function onboard is straight and sometimes he could be more tactful"*

*August 17, 2010*

**Brian Boutkan**

Project Manager, Jumbo Offshore.

*managed Gerrit indirectly at Lighthouse Maritime Consultancy*

*Gerrit worked as Construction Supervisor on the Jumbo Javelin during the Greater Gabbard project. His know how and calm attitude were a very welcome addition to the construction crew and contributed to the successful completion of the project.” August 31, 2010*

**Rene` van der Meulen**

*Hired Gerrit as an Offshore construction supervisor / manager in 2009 , and 2010*

*And hired Gerrit more than once.*

*“As project manager within Jumbo Offshore, I learned to know Gerrit as a trustworthy, experienced and integer offshore construction supervisor-and - manager. Onboard our J-type offshore installation vessel Gerrit has shown true and down to earth professionalism during Transition Piece installation works for the Greater Gabbard Windfarm Project. With keen focus on HSE and hands-on mentality I recommend Gerrit as a valuable asset for the offshore industry.”*

*August 16, 2010*

*Top qualities: Personable, Expert, High Integrity*
